

## Skit #13: The Nature of Baptism

### Dramatis Personae:

Tommy

Chuck

TOMMY: Hey, Chuck, what's wrong?

CHUCK: I feel really sick.

TOMMY: Do you have the flu?

CHUCK: Yeah, and the doctor's advice isn't helping at all.

TOMMY: No?

CHUCK: No. He told me to drink water, and I drank lots of it, and nothing's helping.

TOMMY: Just drinking water will cure the flu?

CHUCK: Well, he said to mix this medicine with it.

TOMMY: Did you?

CHUCK: No.

TOMMY: Why not?

CHUCK: Hey, water's water no matter what. You know, Evian is just naïve spelled backwards. I'm not dumb enough to spend money on nothing!

TOMMY: Chuck, water by itself can't cure you! You need the medicine mixed with it to help you! Water is just the means by which you get the medicine in you!

CHUCK: Oh! That explains why my coffee maker isn't working!

TOMMY: Let me guess: you didn't bother to buy coffee grounds?

CHUCK: [Angry] Of course I bought coffee grounds! Do I have "Stupid" written on my forehead?

TOMMY: Then what's wrong?

CHUCK: I didn't put the grounds in the coffee maker.
