

Skit #1: Law & Gospel

Dramatis Personae:

Officer Law

Adam

Josh Gospel

Enter Officer Law chasing Adam. Adam is carrying something shiny in his hands (Jewelry, etc.) Adam stumbles, and Officer Law catches him.

Officer Law: That's all it takes, you know. One slip, and I've caught you! Nobody escapes the Law! You're looking at a life sentence, now! That's all you deserve!

Adam: I can't argue with that. Okay, let's get it over with. [Enter Josh.] Go ahead, slap the cuffs on me!

Josh Gospel: Wait! What's this man's crime?

Officer Law: He stole this valuable jewelry!

Josh Gospel: No he didn't.

Adam: Yeah, Josh, I did.

Josh Gospel: Adam, be quiet. Officer, Adam is innocent. I'm the one responsible for this crime.

Officer Law: What are you talking about? I caught him red-handed. Look! He still has it in his hands!

Josh takes the jewelry out of Adam's hands.

Josh Gospel: I took it. I'm guilty. Adam, go home. Officer, I'm guilty and insist that you charge this man's crimes to me.

Officer Law: [Confused] Doesn't seem fair, but as long as someone's punished, I'm happy! Okay, I guess! Let's go, Lawbreaker!

Officer Law hauls Josh off.
