

## Skit #9: 5th Petition

### Dramatis Personae:

Jamie

Tammie

JAMIE: That's it! I've had it!

TAMMIE: What's wrong?

JAMIE: I loaned Nikki \$5 last week, but I told her I needed it back this week, and she said she'd pay me back!

TAMMIE: So?

JAMIE: Guess who didn't pay me back yet? I've been craving a candy bar all day, and I was counting on that money to buy one!

TAMMIE: You know, there's an old saying, "If you loan money to friends, decide which you want to lose, because you won't keep them both."

JAMIE: But you loaned me \$50 last month so I could buy that jacket last month, and I haven't paid you back yet. You don't take your own advice!

TAMMIE: Sure I do. Have I asked for the money back?

JAMIE: Sure you did! Yesterday, so you could...no, wait. That was me.

TAMMIE: Merry Christmas.

JAMIE: Christmas isn't for another month.

TAMMIE: Don't sweat it. Hey, I have \$4. Will that cover Nikki?

JAMIE: Tammie, don't. I owe you big time. The least I can do is forget about Nikki's 5 bucks! Tell you what: the new Brad Pitt movie is playing this weekend. Let's you, me, and Nikki go see it, my treat. I get my allowance tonight.

TAMMIE: Sounds good to me. Let's go see if Nikki can go!
